The Texas Optometry Act requires that each active optometrist take courses that relate to the use and application of scientific, technical, and clinical advances in subjects relating to the practice of optometry or therapeutic optometry regularly taught in recognized optometric universities and schools, including vision care, vision therapy, and visual training. Only courses approved by the Board may be used to obtain the required continuing education.

Please answer these questions "yes" or "no"

- \_\_\_\_\_ Is the seminar or course available to all Texas licensees? (If limited for space purposes, criteria of city, county or area may be used). Circle criteria used.
- \_\_\_\_\_ If a fee is charged, is the fee for the course considered reasonable and nondiscriminatory?
- \_\_\_\_\_ Are subjects directly related to optometry?
- \_\_\_\_\_ Have you submitted summaries of courses and resumes of the speakers?
- \_\_\_\_\_ If you are an individual provider, have you supplied a synopsis of the lecture material, and a resume?
